Benelux hosts appreciation day for retirees

by **Patricia Luijpen**
USAG Benelux

USAG Benelux put retirees in the spotlight during the annual Retiree Appreciation Day held Friday at the Schinnen Community Activities Center and Saturday at the SHAPE Healthcare Facility.

Both events offered information booths, immunizations, medical and dental screenings to military retirees from in and around the Benelux area.

Col. Kurt Connell, USAG Benelux commander, kicked off the events with welcoming and appreciative remarks to the military retirees for their service and to the representatives and volunteers for their support for the event.

"Our main reason for holding this event was

to provide a way for retirees to receive the most updated information about the many benefits and retiree services that the DoD, veteran organizations, and the surrounding bases offer," said Ronald Macauley, USAG Schinnen Retiree Appreciation Day project officer.

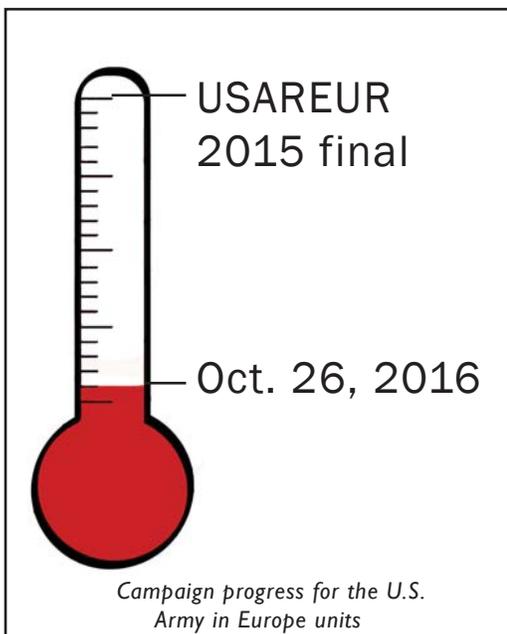

Many retirees said they valued the information and very much appreciated all the effort by the many organizations and volunteers at the event.

"It would not have been such a success without all the great support," added Macauley. "I want to thank all of the organizations that contributed time and resources to this event and all the retirees who attended."
