MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: United States Army Garrison Kaiserslautern (USAGK) Command Policy Letter #12-Loss/Theft of Department of Defense (DoD) Identification (ID) Cards.

1. Applicability. This policy applies to all Soldiers and Department of the Army (DA) Civilians and their Family Members residing or working in the USAGK community. This policy supersedes USAGK Command Policy Letter #30 - Loss/Theft of DoD ID Cards.
2. Lost and stolen DoD ID cards present a significant force protection threat given that they can be used to access military installations. If you or your Family Member's ID card is lost or stolen, immediately report it to your chain of command/supervisor. The Military Police will then issue a law enforcement Information Sheet that will be used to issue a new ID card.
3. Commanders/supervisors at all levels will address the need to safeguard ID cards as a part of the USAGK overall campaign to emphasize maintaining security and accountability of DoD ID cards.
4. Point of contact for this memorandum is the USAGK DPTMS (Tasking) at DSN: 489-6104/6009.
