

Community Telephone Book

If changes are required or in case we have made some errors, please email the correct info to marie.gallant@benelux.army.mil, so that we can keep this book current.

1 October 2008

Updated on 06 August 20 10

Do not discuss classified information on non-secure telephones. Official DoD telephones are subject to monitoring for communications security purposes at all times. DoD telephones are provided for the transmission of official government information only and are subject to communications security monitoring at all times. Use of official DoD telephones constitutes to communications monitoring in accordance with DoD Directive 4640-6.
